Dear Dave

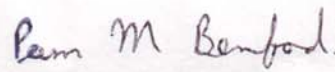

Thank you so very much for your most generous donation of the ten Pentiums with mice and keyboards and all the educational software. Thanks too for helping us with the purchase of the four Pentiums for our network room.

Dave, as you saw, our school runs on love and kindness and we bless you for yours! Without the generosity of kind folks such as yourself we would never be able to help the cerebral palsied and learning-disabled learners in our care to help them reach their full potential. Thanks especially for taking time out to visit our facility and seeing for yourself exactly what we needed.

We thank you for being such a special friend to the children of Vista Nova.  
With Vista Nova warm wishes.

Sincerely
