4 Flora Road
Wynberg
Cape Town

7800

Dear Dave c/o Bridgeport Technical Services

Thank you, and your staff for the kindly donation of 6 Personal Computers and a Laser Printer for our facility at the Princess Vlei Eco Park.

This donation will enable Universal Youth to establish a much needed resource centre, and Environmental education facility.

It is through efforts and donations such as yours that will enable Universal Youth to continue our drive to dedicate our services to the youth of South Africa.

Warm Regards

Shukri Kadri

President
